**For Clamping  
Stub-Shafts on  
Idler Frames  
such as  
Cedar-Rapids**

**Superior fit between stub shaft &  
clamp and clamp to angle frame**

**Die-Formed from  
high strength steel  
for consistency, strength  
and rigidity.  
Closer tolerances  
than original OEM units.**

**Plated for corrosion  
protection**

**Clamp includes 2-Clamp Halves,  
Draw bolt, washer & Nut**
